HUNTING SEASON!

When the chilly autumn winds wail through the leafless branches and the whistle of the quail is heard in the meadows, the heart of the hunter is stirred and he longs to shoulder his trusty gun and, with dog at heels, tramp the uplands in search of game—and health. The season is close at hand. Be ready, and when the first holiday comes get an early start. You will need a good Hunting Coat, pair of Leggings and strong, well-made Gloves. We are headquarters for this class of goods and invite your inspection.

MR. FARMER, your busy season is also close at hand. To be ready for the hog killing you will want a Sausage Grinder, Lad Press, Keen Kutter Hatchet with a smooth sharp edge, and good, strong, well-tempered Butcher Knife, a Food Cutter and a good Lantern. Perhaps there are other things you need and will find out when you look around our large and up-to-date stock. We are here to please you.

THE question whether frazzle is a verb or an adjective or a noun is now agitating the syntactical world. It doesn't make any difference. It was a fact.—Commercial Tribune.

THE Protective experience of Pennsylvania is more convincing to practical minds than the free trade theories of the university doctrinaires. Protection means industry and the opportunity to earn wages at work in these busy valleys. Free trade means imports from foreign workshops and idleness at home. It is easy to see which the American voter and worker should prefer.—Scranton Truth.

THE New York World, Democratic, which wobbled for and against Mr. BRYAN before the "landslide," hands the "gentleman from Nebraska" the following hot one—

"Under the peerless leadership of WILLIAM JENNINGS BRYAN the Democratic plurality in New York City seems to have been wiped out. The returns indicate a Taft plurality in Greater New York. Peerless leadership appears to be a better Republican asset here than the Big Stick. Even ROOSEVELT could not carry New York City."

THOMAS JEFFERSON'S Embargo Act was one of the greatest and most fearless moves for industrial Protection ever made by any National Executive. He reasoned that it is better to have the foreigner pay the tax than his countrymen, and that it is probable that a bad tempered dog-tax collector will rouse more friction in a village in one week than a Custom House will witness in three months. President ANDREW JACKSON, too, was a Protectionist and believed in giving Americans the benefit of it.

FACTS FOR SICK WOMEN

LYDIA E. PINKHAM

No other medicine has been so successful in relieving the suffering of women or received so many genuine testimonials as has Lydia E. Pinkham's Vegetable Compound. In every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every one you meet has either been benefited by it, or has friends who have. In the Pinkham Laboratory at Lynn, Mass., any woman any day may see the files containing over one million one hundred thousand letters from women seeking health, and here are the letters in which they openly state over their own signatures that they were cured by Lydia E. Pinkham's Vegetable Compound. Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made from roots and herbs, without drugs, and is wholesome and harmless.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful is because it contains ingredients which act directly upon the feminine organism, restoring it to a healthy normal condition.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

CURED RHEUMATISM

Nearly everybody is susceptible to a twinge of rheumatism, sciatica, toothache, headache or neuralgia and it's never safe to be without a good remedy for an emergency of this kind.

No matter what kind of pain you have the beneficial effect of Sloan's Liniment is immediate. You lay it on lightly—no rubbing whatever and a pleasant warmth is felt at once. The Liniment penetrates right to the bone and quickly stops the pain.

Mr. Chas. J. Badlong of Anthony, R. I., Box 125, writes: "For many years I was a great sufferer from rheumatism. My hips would swell to enormous proportions and my knee joints would pain me in the most excruciating, awful manner imaginable. I used often to have to fall from the bed into a chair and thence to the floor, when I wanted to get from my bed. I used only some six or eight bottles of your celebrated Liniment and was cured. I cheerfully recommend its use to all rheumatic sufferers. Refer to me if you so desire. All letters answered."

THE NINE-FOOT STAGE

Ohio Valley Business Men Will Urge Congress to Make \$60,000,000 Appropriation to Canalize Ohio River

Captain C. M. Phister, who has been appointed a delegate to the National Waterways Convention to be held at Washington City December 9th to 11th, is desirous to have accompany him a representative delegation of Maysville business men, and on advice of President John L. Vance of the Ohio Valley Improvement Association, Captain Phister has named the following gentlemen of this city as delegates:

Thomas A. Davis,
R. G. Humphries,
E. L. Manchester,
J. C. Rains,
Joseph H. Dodson,
Harry Barkley,
R. A. Cochran,
E. P. Browning,
Ben B. Poyntz,
J. Barbour Russell,
Jacob Thomas,
W. H. Means,
A. F. Curran,
Mayor W. E. Stallcup.

The Ohio Valley Improvement Association, at its last meeting, adopted resolutions calling upon Congress to make an appropriation of \$60,000,000 in a lump sum to be used and expended in ten years to complete the canalization of the Ohio river to a 9-foot stage from Pittsburgh to Cairo.

The object is to have delegations go from every Ohio Valley city to urge Congress to make the appropriation at the coming session to complete the whole work.

The Washington Waterways Convention is going to be the largest ever assembled for such a purpose, and with 500 Ohio river rooters present it is certain to have a successful influence in gaining the great object sought, which will transform the uncertainties of the present Ohio river into a magnificent perennially navigable stream, which will at once make it the foremost water highway in the world.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily; when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Frederick Dressel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills a most excellent kidney remedy, and I am only too glad of an opportunity to speak in their behalf. About five years ago I was bothered by kidney trouble. The kidney secretions were attended with much pain during passage and were very irregular in action. Severe pains across the small of my back were of frequent occurrence and at times greatly interfered with my work. A friend advised me to use Doan's Kidney Pills, as he had taken them for a similar trouble with the best of results, and I procured a box at J. J. Wood & Son's Drugstore. I used them strictly according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

GREIGHBAUM'S CLOTHES
RETAIN THEIR SHAPE!

Any suit may look well when it is first put on, but it takes a custom tailor, substantially built one to retain its shape and give lasting service. Every inch of material—woolens and trimmings—that goes into my clothes is thoroughly shrunk. That's why rain or wear cannot possibly change or spoil their shape. Yet I don't stop here, but tailor my clothes as carefully inside as outside. The important unseen parts are attended to with the same skill and fidelity that is evidenced in the outward appearance of the garments. Still, my prices are one-third to one-half less than those of other tailors. A suit or overcoat tailored to your measure at \$18 to \$48. No other clothes so good that cost so little.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance. It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.

"LIVES OF GREAT MEN ALL REMIND US"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

NO MAN DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap, cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
